On November 16, 2012, the SEC approved PBB's application for the amendment of its articles of incorporation to increase its authorized capital stock from ₱3.0 billion to ₱10.0 billion and for a decrease in par value from ₱100.0 to ₱10.0.

On April 20, 2022, the Board of Directors approved the increase of PBB's authorized capital stock to ₱15.0 billion from ₱10.0 billion, approved by the BSP on November 28, 2022 and SEC on January 19, 2023. PBB is increasing its authorized capital stock with the intention of raising capital via stock rights offering which will greatly expand the Bank's capability to develop more businesses and harness opportunities in the financial services space. The increase will enable PBB to meet the growing demands of the banking business.

In support of the increase in authorized capital stock, the principal shareholders of PBB subscribed to ₱1.25 billion of common stock, equivalent to 25% of the ₱5.0 billion increase in authorized capital stock. On January 10, 2023, the principal shareholders fully paid the balance of their subscription in the increase in authorized capital stock. PBB also raised ₱500.00 million, priced at ₱10.00, from its stock rights offering; the SRO shares were listed on the PSE on March 31, 2023. The private placement and the stock rights offer collectively resulted in a capital raise of ₱1.75 billion.
